

Making the switch is easy.

Have you thought about changing banks? If you're like most people, then the answer is yes. Maybe you recently relocated, switched jobs or perhaps your bank just isn't providing the customer service you deserve.

Regardless of the reason, you still haven't switched. Why not? Because you probably think it's too much trouble. With Bank of Oklahoma's fast and easy "Switch Kit", changing banks has never been easier.

Welcome to Bank of Oklahoma.

Five Easy Steps to Switch.

1) Open your Bank of Oklahoma account.

Stop by a Bank of Oklahoma banking center, call us at 800-234-6181 or open your new account online at www.bok.com. Make a note of your new Bank of Oklahoma account number and routing number. You'll need them later.

Routing numbers and account numbers:

How to locate them on your checks:

2) Stop using your old account.

Let all your checks clear. This could take a few days. Destroy any unused checks, ATM/debit cards and deposit slips.

3) Change direct deposits.

All the forms you need are in our Switch Kit. Simply fill out Form A and give it to your employer, the Social Security Administration or your retirement plan administrator. Include a new deposit slip or voided check.

4) Change automatic payments.

Use Form B to change all automatic withdrawals deducted from your account. Once filled out, send Form B to all applicable merchants.

Also, don't forget to update automatic payments made on your old debit card with your new Bank of Oklahoma Visa Debit Card number and expiration date.

5) Close your old account.

Complete Form C and send to your old bank to close the account and request a final check to be sent to you. If you have an account at more than one financial institution, complete a form for each.

Send in Forms A, B and C and close your old account. And that's it!
